Travel Tip:

Plan ahead, book ahead!

With its lakes, rivers, trails, beaches, and wide-open spaces, it's no surprise that BruceGreySimcoe attracts those that love to be outdoors! This fun, family destination caters to everyone – all ages, couples, singles, and friends seeking adventures and experiences. Bonus – it's not far from most Ontario urban centres.

A wonderful way to explore the region is through a guided or themed experience. Indigenous naturalists and guides share their culture and history at Cape Croker Park through their Anishinaabe Cultural Experiences. Join Free Spirit Tours or Eagle Adventures on a guided paddling, climbing, or caving tour. Discover Bruce Peninsula's magic with Eco Adventures, explore the shipwrecks in Tobermory and Flowerpot Island by booking a boat tour. The more adventurous can be face-to-face with Tobermory's shipwrecks by scuba diving with Divers Den (snorkelling tours and scuba diving courses also available).

Cruise scenic Georgian Bay near Midland and Penetanguishene with Landmark Cruises or angle for the "big one" on one of many fishing charters, including Dwindle's Dream Fishing Charters, Collingwood Adventure Voyages or Happy Go Fishing.

At Sainte-Marie among the Hurons, visitors experience day-to-day life as lived in a 17th century French Jesuit Mission through hands-on activities guided by historical interpreters. Across the road is the Wye Marsh Wildlife Centre, with an interpretive display hall, hiking trails, floating boardwalks, observation tower, and the ever-popular Birds of Prey Field. Close by is the impressive Martyrs' Shrine, the church itself a combination of Indigenous and European design, surrounded by natural forests, gardens and peaceful natural spaces.

At Discovery Harbour, visitors are invited to explore sailors, soldiers, and shipwrecks at this reconstructed early 19th century naval base. With all hands on deck, swabbing that deck on a replica ship is part of the fun! Costumed staff stationed around the site share their knowledge of life on a naval base as you tour the buildings and museum.

For animal lovers, the Elmvale Jungle Zoo houses tigers, zebras, lemurs, and white lions among its residents. Get a little bit country at Rounds Ranch with a petting zoo, pony rides, tractor rides, moo maze and more. Feeling competitive? Spend time at Wasaga Adventure Park, where paintball is just one of the many activities.

Blue Mountain Village and Blue Mountain Resort are a top family destination, with eclectic shopping, dining, and activities in the village all year long. High ropes, mini putt, the Plunge! Aquatic Centre, and the Mountain Ridge Runner make it a

summer go-to. Nearby, Scenic Caves' trails combine stunning panoramic views from the suspension bridge with Indigenous and natural history. Storybook Park, with shaded walkways, picnic area and waterpark, is geared towards the younger members of the family. The tot-sized amusement rides are just right for wee ones to spin, ride, drop and swoop.

The area's three county museums are living showcases of local history. Simcoe County Museum's 10 heritage buildings are spread throughout the grounds, an easy walk through architectural history. Grey Roots Museum is home to Moreston Heritage Village, where buildings range from the pioneer era onwards, with interpreters sharing period-related activities and stories. At the Bruce County Museum, kids love the virtual experience of being on board the HMS General Hunter, a War of 1812 replica battleship, during a storm and firing a cannon.

Lighthouse buffs can journey by boat with Chantry Island Tours to climb to the top of this iconic lighthouse and explore the lightkeeper's cottage, fully restored and furnished. The Kincardine Lighthouse, conveniently located downtown at the harbour, is an easy climb to the top. Chantry Island's sister lighthouse, Point Clark, is easy to access (check 2023 hours ahead of time) with free parking. Pack a picnic, bathing suits and towels to lounge on the sandy beach next door. The stunning views of Lake Huron from the tops of these historical treasures is worth the climb.

There are plenty of funky and eclectic restaurants, cafes, specialty shops and pubs to tempt your taste buds. Try one of the tasty Apple Pie Trail Experiences or a delicious outing with South Georgian Bay Food Tours. Sign up for a Midland Food Tour to taste your way through the picturesque town of Midland. Leave the driving to Blue Mountain and Collingwood Adventure Tours or the Beer Bus to visit local pubs, wineries and cideries.

Fit in some time to relax and unwind. Book a massage and total spa experiences at Scandinave Spa Blue Mountain and Vetta Nordic Spa. At iwa Spa, savour a soothing stretch on a warm volcanic floor during a yoga class.
